The conference goes past 7:30 Thursday night? This week is pretty tight for me and Thursday is definitely the best night.

As a backup... we could rehearse without Dave-jobs. We could even do a vocal rehearsal a bit earlier and then Alex could join at 7:30...

Hey Chris,

Unfortunately I'm in charge of the conference after party which could go as late as 8 and then I have to clean up. I may be able to make some of the rehearsal but if there's any other day you could make I'd really appreciate it.

Monday is out. Tuesday I might have a Double King show in CT but I don't have confirmation on that (Ryan.....). So Tuesday could maybe work. Wednesday night I have a Julia session planned and under other circumstances I wouldn't offer that time but with Julia unavailable on Thursday night and leaving on Sunday... it might be the only time. Friday is the Jon Fuller release show that I feel like I need to attend. Saturday is another Double King show. Julia leaves Sunday.

Summary: Tuesday?

Aight y'all, my turn to make things tricky. Mark Williams just contacted me and wants to hook me up with occasional session work at a studio in NJ when he moves to LA in 3 weeks. He wants me to sit in on a session there Tuesday night. So I gotta try to make that happen.

Wednesday night does work for me. Thoughts?

I feel that we could use one rehearsal this week with Julia before she leaves for Cape Cod (even if everyone can't make it). But then yeah, a couple next week would be good too. I'm free every night from Monday the 17th through Friday the 21st so let's book it up!

So..

- Tuesday the 11th
- Monday the 17th
- Thursday the 20th

Do those all work for most/all? Dan, what Friday are you talking about? (next week we have the throw vision show at launch pad, and this week i kinda made plans til 10:30ish). I also request that we do as many of these as we can in 127 Rogers so as to reduce commute time.

Thoughts?

I think Chris was the one hoping for a friday vocal thang? But yes, we have a gig. I'm down to make this a Rogers ave affair. But if i need to hang at Replay tomorrow, I may have to request y'all come here. I will know by the end of the day.

Something we should do ASAP (maybe tonight for a quick sec), is actually map out a 2-3 hour setlist of the best stuff we have or are trying to have. Then we should try to stick to that setlist.

Not yet. Yesterday we got started around 6:45 / 7. What is your travel schedule? We might be able to plan around that. Also, we got a TON done yesterday but it also reinforced how important our rehearsal on Thursday will be. We made some arrangement decisions and the like.
