dave--

I just tried to change the Con Ed bill to the Knotable Inc. name and hit some roadblocks. First, none of the documents have the Knotable Inc. name on them-- they're all under Peek. The Con Ed rep told me that the lease (and I'm assuming the lease rider as well) and the certificate of incorporation (or filing receipt) should read Knotable, and not Peek, and that these documents should match the Fed. Tax ID # for the business. Also, I was told we need the first and last pages of the lease, but I only have one page here...

The rep also told me that the Con Ed bill for the 4th and 5th floors are both under Norman's name (or maybe Irving Realty), and not Peek. Does that make sense? What floor(s) are we trying to put under Knotable's name?

Lots of questions. Thanks dude--

also, we can fax the docs in and it will take 3 or 4 business days to process, or we can go to one of their walk-in locations and have it done that day-- one is in Harlem, the other at Jay St. Metrotech. Nothing around here

Hey Amol,

Tried to switch the Con Ed bill from Peek to Knotable, but could only find accounts under Norman K/Irving Realty--are these the accounts we want to switch over?

Also it seems we need documentation with Knotable's name. The documents we have now (lease, rider, certificate of inc.) have Peek's name.

Does this sound right?

No no - change them into Peek's name FROM Irving. On this assignment, you work for Peek Inc.

I think you have the first page and signature pages of the lease no? See attached to clip off one more page

"Last" means signature page which is the signature page embedded in the doc called MASTER lease. You also want the first page of MASTER and RIDER

So you specified that this is for the fourth floor. So not fifth floor, right?
